

SCELTA DEL TEMPLATE

IN SMART NOTEBOOK 10 → → → PAGINA TITOLO

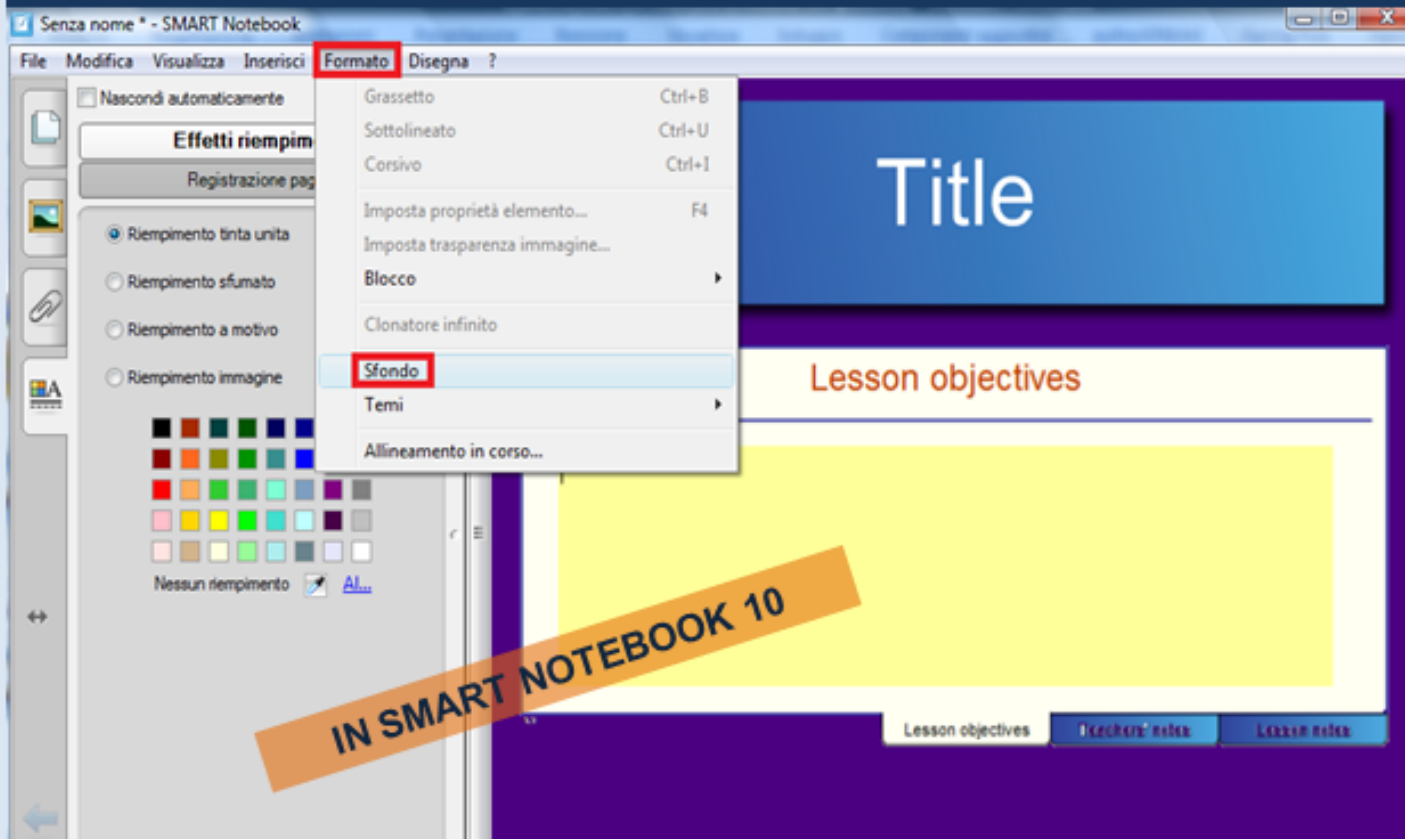

The screenshot shows the SMART Notebook 10 interface. The left sidebar displays the 'Lesson Activity Toolkit 2.0' folder, which is highlighted. The main workspace shows a tree view of the toolkit's contents, including 'Examples', 'Games', 'Graphics', 'Pages', 'Lesson pages', 'SMART Response pages', and 'Title pages'. The 'Title pages' folder is selected, and its contents are shown in a sub-view. The 'Title pages (12)' folder is selected, and its contents are shown in a sub-view. The 'Blue - title pages (linked)' template is selected, and its preview is shown on the right. The preview shows a blue header with the word 'Title' and a yellow section with the text 'Lesson objectives' and 'Click here to change text'.
